What's New & Important

New Key Features

Shipping Notification By E-mail On UPS Shipments

For orders shipped by United Parcel Services (UPS) and if an e-mail address is provided, UPS will send an e-mail with all the order information, shipping date, and estimated time of arrival.

If the order is Cash on Delivery (COD), it will show the amount of the order.

The e-mail will also provide a tracking number and a website address in case of any other questions.

Price List On Cal Spas Website

Cal Spas' website will have a section for dealers to search by part number and be able to see wholesale pricing.

Packing Slips For All Shipments

All finished goods orders shipping from Cal Spas receive a bill of lading and an itemized "packing slip." This will be attached to the last item loaded for each shipment.

Important Key Features

- Fax your purchase order to the Order Entry Department at (909) 629-3890.
- Any orders received after 3pm will be processed the following business day.
- After the Sales Order is created, Order Entry will fax (upon request) the Sales Order to you for your confirmation.
- If Sales Order is not received within 2 hours, please contact the Order Entry Supervisor.
- If the Sales Order information is correct, sign the Sales Order and fax the entire order back to the Order Entry Department within 2 hours.
- If the Sales Order requires changes, write the changes on the Sales Order and fax it back to Order Entry. Order Entry will fax back a revised Sales Order with the changes. If the Sales Order is correct, sign it and fax the entire order back to the Order Entry Department within 2 hours.
- After the Sales Order is confirmed, it will be subject to credit approval.
- When the credit approval process is complete, the Sales Order will be released to the Parts Warehouse.
